If you would like a weekly email detailing the schedule of activities for the week, send an email to jimbrowning@roundup.k12.mt.us.

Important Information

Games that are marked just 7/8 are for that grade level only.

Mixers are where we play multiple teams in a scrimmage type format where no score is kept and the teams rotate between offense and defense with the other teams.

All games are held at the indicated team’s high school field. This year the mixer that we usually play at Colton Field has been moved to Hardin. There is a new elementary school being built where Colton Field is currently at.
