The track schedule listed above is for both the **JH (marked in red)** and for the HS. This is not a complete schedule. I am certain that there will be potentially two more meets added for the junior high. I will send updates as I get them, but this will give you enough to mark a few days on your calendars.

The meet on May 2<sup>nd</sup> is a TOP 10 Meet and is an invite if you're in the Top 10 times/distances for high school athletes within a 100 mile radius of Billings. It's a tough meet to qualify for, but hopefully we have some make it this year.
